## Details

### Description

This unit is extremely easy to maneuver, offers a very good overview, a very good cleaning result, quick get on and off, robust technics, easy operation as well as a long running time due to the battery exchange cart.

---

### Application

- Contract Cleaners - Logistics - Healthcare - Hotels & Supermarkets - Airports - Offices

---

### Features & Benefits

Very good overview of the area to be cleaned. Intuitively organized control panel, easy to operate while working. The ultra-tight turning radius of 1.3 m enables to turn around in very small aisles. Ensures unique cleaning performance due to the dual counter-rotating brushes. Excellent edge cleaning with additional side brushes. Brush system with floating suspension provides consistent suction even on uneven surfaces. Stand-on-design combines handling and maneuverability of a walk-behind with the speed of a ride-on machine. Convenient storage for additional filter bags in the front cover.
