Frequency (Hz)	50
Voltage (V)	230
Weight (kg)	61
Dimensions (L x W x H) (mm)	800x575x830

Details

Description

The scrubber drier BD 40/25 C usable on small areas is equipped with the single knob operation EASY and thereby very easy to use. Due to the compact dimensions and the shortness the machine has a high agility and a working width of 40 cm. The BD 40/25 C is a silent machine with a foldable handle and easy to clean. The available straight squeegee has rubber blades, usable on two sides. The low weight facilitates an easy transport.

Application

It is suitable for basic cleaning, maintenance cleaning and polishing hard floors. It has a performance of 1600 m² and can be used economically for areas of 200 up to 800 m². It cleans smooth or structured surfaces properly. On marble and terrazzo it is possible to crystallize. On parquet, water must be vacuumed immediately (no two-step method). Linoleum can be treated like PVC. For heavy soilings, for polishing or crystallizing there are special accessories available.

Features & Benefits

Mains driven Cleaning without time limit. Also more times a day. Brush head with transport wheel Easy to use and easy transport. One-button operation - EASY User friendly and easy to maintain. Straight squeegee available Optimized suction effect for all floor conditions possible. Please order separately. Compact size Due to the compact size of the machine it is also possible to clean small blocked areas easily. Tank capacity 25 litre fresh water and 25 litre waste water. Two plastic parts for the chassis Only few parts. Integrated a two chambers tank system. Break-and sound-proofed, easy to refill. Fresh water indication The transparent and flexible tubing is easy accessible and indicates the fresh water during cleaning.
